

## **BERNESE MOUNTAIN DOG CLUB OF ONTARIO**

---

### **ELECTION OF 2009 EXECUTIVE**

#### **Biography of Sharon Groves (Nominee for Director at Large)**

After waiting two years for my first Berner I was able to get two girls in 1985. Over the years, along with breeding and showing, we have done obedience, draft, a little tracking and this year, along with my senior, Amato, I tried agility. One thing I learned was that Amato was great and I was old. He could do the course and I could do half and watch the rest.

My Flasher did Therapy work for four years and was the Canadian National Champion in 1995, and my daughter, Kim, showed my Felicity to Best in Breed at the Westminster Show in New York.

I have been a BMDCO member since 1995 and have been on the Executive Committee for the past four years. I have been an active participant in the Club's Specialties, Fun Days, Berner Bash, Winter Walk and Barks by The Bay events. I have really enjoyed participating in these events that contribute so much value to our Club.

I have judged Sweepstakes in Edmonton at the Canadian Nationals as well as a few times in the United States.

I would respectfully ask for your continued support as I seek an Executive position again in my goal to further the objects of the Club for all members.

Have fun with our wonderful breed.
