

BERNESE MOUNTAIN DOG CLUB OF ONTARIO

ELECTION OF 2009 EXECUTIVE

Biography of Carol Lingelbach (Nominee for Director at Large)

Having been on the Executive for a number of years, I would like to continue my position of Director at Large.

My husband Allan and I are the proud owners of 2 Berners, Bernie (going on 11) and Scarlett (going on 8). We have been very active over the years, having been members since 1998. We have attended Berner events – volunteering at various Club functions and doing charity events with regard to drafting. I have hosted a few meeting at our house and I have attended almost all of the Executive meetings.

My goal as a Director is to get more members involved in the Berner Club and its many activities that are being held throughout the year. It is very important for a Club to get new members participating by coming to events and meetings. It helps to get fresh ideas in order to keep a club moving forward. It is hard for a club to continue to do so, if the same people time and time again are organizing and running the events. Members get burned out over the years and we need help from all of you to keep this Club going and maintaining the many social activities that the Club has as well as coming up with new events. Our commitment to the members is making the Bernese Mountain Dog a priority in everything the Club does and having fun doing so.

Thanks for your support and I will be hoping to see many of you at upcoming events!!
