

BERNESE MOUNTAIN DOG CLUB OF ONTARIO

ELECTION OF 2009 EXECUTIVE

Biography of June Ward (Nominee for Director at Large)

Fellow members and Berner lovers,

I am interested in representing the members on the Executive of the BMDCO as a Director at Large. I was one of the founding members of the Club and was the first President. At present, I am a Director at Large; in the past, I have been the Secretary. I have also, twice now, served as Ontario Specialty Show Chair.

I am very interested in our dogs as working dogs and participate in drafting events. I am a draft judge and teach carting classes on an on-going basis. I have judged for the national club in New Brunswick, British Columbia, and in June 2009, I will be judging in Quebec. I was part of the committee to open Draft Tests to all breeds, not just Newfoundland dogs. I am still part of that council as the CKC draft rep for Western Ontario.

I have been breeding Bernese Mountain Dogs for 16 years under the Kumnc Kennel name. My house is run by five Berners. Lulu is the reigning queen by rights of age - she was 10 last Halloween. Many of you have laughed with us over Lulu's antics in the obedience ring, and have visited her in her truck at many Specialties. Terry is five and won two High In Trials while earning her Companion Dog title. Lucy is three years and presently enjoying touring around with my sister. Hershey was two in October and is expecting her first litter. Cadbury is now a champion and will be two in May,

I would like to represent the members of this Club and encourage you to vote and take part in the growth and development of this wonderful breed. The Club is here for the members. Please feel free to ask me any questions you may have.
